

# The Golden Khanate

Version 2

# — The Golden Khanate —

*Even further East we find the Golden Khanate, a matriarchal society of fierce warriors that conquered most of east asia uncontested. Skilled in the arts of archery, horsemanship, fear tactics and all-out war, they come from the north of Sultanate territory to push forth on heretic controlled Georgia and Armenia. No one knows why an enemy of europe would intervene in a war that is not theirs to fight, but the Sultanate knows it cannot be good. Still, a temporary alliance is made.*

## THE GOLDEN KHANATE SPECIAL RULES

---

- ✦ **Khanate Noyan:** A Golden Khanate warband Yüzbaşı is replaced by a Khanate Noyan.
- ✦ **Barely Tolerated:** This warband has minimal help from the Sultanate and cannot include Sultanate Sappers, Lions of Jabir or Brazen Bulls.
- ✦ **Hired Blades:** This warband cannot purchase Sultanate Assassins for Ducats. Instead, they must purchase Sultanate Assassins for 10.
- ✦ **Warriors of the East:** The Jabirean Alchemist is replaced by the Tengri Shaman. Janissaries in this warband are replaced with Ba'atur.
- ✦ **Prisoner Kharash:** This Warband Azebs are replaced with Kharash. They use the Azeb entry but cannot possess more than 15 ducats worth of battlekit. In a campaign, during Trauma Step, for each enemy unit that were put out of action, this warband can replace one Killed Kharash for another for free. It gains the killed Kharash unit battlekit that would have been normally lost.
- ✦ **Khan's Kheshig:** This Warband may field 0-4 Khan's Kheshig units.
- ✦ **Fake retreat:** Before rolling for Melee Attacks, units of this Warband may move D3 inches away from enemy models in its Fight Range and move those models with it. This does not trigger a Fight **ACTION** from the enemy models.
- ✦ **Swarm maneuvers:** Units of this warband may Shoot into Melee without having to determine the target with a roll.
- ✦ **Fear tactics:** Morale checks against this Warband are rolled with a **-1 DICE**.
- ✦ **Patron:** This Warband's Patron is the Khan. It uses the Warrior Saint entry.
- ✦ **Armoury:** This Warband's armoury does not contain Alaybozans, Al-inbiq Kit, Flame Cannons, M.U.R.A.D. Bombard, Titan Zulfiqar and Marid Shovel. Incendiary Grenades are not Jabirean Alchemist Only. This Warband's armoury gains Composite Bow, Fire Lance, Tengri's coating and Whistling Ammunition. Takwin Anqa Bird are replaced with War Hawks. This Warband Glory Item Table gains Boots of Batu Khan and Terror Helmet.

## THE GOLDEN KHANATE ARMOURY & BATTLEKIT

The following pieces of Battlekit are available to the Golden Khanate Warband.

### Composite Longbow | 20☉

*The Mongols craftsmanship of bows using various materials is impressive. Since their first fight against the forces of hell, they may often use demon parts in their craft.*

| Type     | Range | Keywords                 |
|----------|-------|--------------------------|
| 2-Handed | 24"   | ARMOUR PIERCING, ASSAULT |

⚔ **Quiver:** This Weapon may alternate freely between up to 3 different AMMUNITION Battlekit in the same Battle.

### Fire Lance | 30☉ | Shield Combo, Limit: 2

*The Khan's engineers came up with the idea of bringing a cannon's firepower directly to the frontlines. This portable cannon has three barrels where gunpowder and amunitions are packed tightly in the bores. Putting a handle on one end makes for a reliable hammer in close quarters.*

| Type     | Range     | Keywords                             |
